About Us

Zhejiang Haohan Electric Appliance Co., Ltd. was established in 1997 and is located in Yiwu, the world capital of small commodities. The company's main products include epilators, hair trimmers, nose hair trimmers, skin grinders and other small household appliances.

Since the establishment of the Haohan brand in 2001, we company has integrated product development, production and sales. We have a number of appearance patents and new technology patents, a standardized production workshop more than 20,000 square meters, 200 employees, and dozens of top-notch accessories suppliers, the annual output reaches 4 million. The products are exported to Europe, North America, South America, the Middle East, Southeast Asia and other countries and regions, and the proportion of export orders reaches 100%. At present, the overall level of the factory has become the top three in the domestic industry.
